

Lecture 6

Finger exercise 1:

Lets step together over the notebook:

01_Feature_Engineering.ipynb

Finger exercise 2:

Lets step together over the notebook:

02_knn_classifier.ipynb

Finger exercise 3:

Lets look at these 3 notebooks:

- 03a_prior_information_entropy.ipynb
- 03b_hands_on_entropy.ipynb
- 03c_DecisionTrees.ipynb

Finger exercise 4:

Lets look at this code and try to think about the questions asked

04_Naive_Bayes.ipynb

Finger exercise 5:

Lets look at this code and try to think about the questions asked

05_Ensemble_Learning.ipynb
